PREFACE

TO THE PUBLIC:

This volume is the thirteenth edition of the Evanston Directory, published by the Evanston Press Co.

The usual manner of compilation has been followed that has proven very satisfactory to our customers in the past. There are but few directories published that give as accurate and detailed information as the Evanston Directory. It is our object to have the directory contain the name, residence address, residence telephone number, business, business address and business telephone number of every resident of Evanston who is over eighteen years of age. The street directory and general information is complete and valuable.

To people who may not be familiar with the local features of our city we call especial attention to our list of schools, churches and the social and philanthropic organizations, and to the number of names of our residents who have a national fame in scientific, educational and business circles.

These facts show that Evanston has more of all that goes to make the ideal residence city than almost any other city in the country.

Very respectfully,

EVANSTON PRESS CO.,

Borden's Unsweetened Condensed Milk

It is pure, rich milk to which nothing is added and from which water only is removed, thus leaving all its richness in a concentrated state. It may be reduced to any richness simply by adding water. For Coffee it is unsurpassed, for Infants it is a superior food, and in Cooking it gives excellent results.

Delivered in Sterilized Half-Pint Bottles.

Borden's Unsweetened Condensed Milk

It is pure, rich milk to which nothing is added and from which water only is removed, thus leaving all its richness in a concentrated state. It may be reduced to any richness simply by adding water. For Coffee it is unsurpassed, for Infants it is a superior food, and in Cooking it gives excellent results.
